

## Rector's Reflections

Dear Friends,

Where does the time go? The past year saw our Celebration of New Ministry, many staff changes, the joyful celebration of our 175<sup>th</sup> anniversary, a series of fabulous cottage meetings, a very successful stewardship season, and, of course, the best Christmas pageant in The Episcopal Church (okay, I might be a little biased).

The question before us in this and every New Year is “How are we called to make a gospel difference in the world around us?” One of our major efforts in 2018 will be our continued work on a capital campaign to do some much needed work on our beloved buildings. At the cottage meetings last fall, there was a lot of energy around the idea of doing the work on the buildings so that we can better host community groups and other ministries, becoming a destination of sorts in Hudson. One piece of that is becoming a place that is known for welcoming all people, living into the diocesan motto “God loves you. No exceptions.” A larger piece of making a gospel difference is making sure everyone knows that they are welcome, not just to use our building, but to be part of Christ Church. And yet another piece of making a gospel difference in the world is doing the research to find out who in Hudson might not feel welcome or like they belong in church.

Once 2018 has flown by, my prayers is that we can look back and see the gospel difference we have made in Hudson, however we decide to make that difference.

Blessings,  
Charlotte

## **50<sup>th</sup> Anniversary Celebration in Hudson of the Christian Unity Prayer Service January 18, 2018**

The Christian Unity Prayer Service is an Annual International effort to unite Christians around the globe from many different traditions in one day of common prayer. Each year the service is designed by a team from a different part of the world. The resources for this year's Week of Prayer for Christian Unity have been prepared by an ecumenical team of women and men from the Caribbean Council of Churches.

All members and friends of Hudson churches are invited to attend the Hudson unity celebration, which will be hosted by First Congregational Church, 47 Aurora Rd. It will begin with an ecumenical prayer service at 10:00 a.m. on January 18th. The Rev. Charlotte Collins Reed will give the sermon. A catered luncheon will follow the prayer service, followed by a presentation by Joel Ross. Mr. Ross' presentation will feature his and his wife's organization, Beyond Borders, Building a World of Fair Trade. Beyond Borders has been working with and nurturing Haitian metal artists in Croix-des-Bouquets for the past fifteen years.

The service is open to all and requires no reservation but if you would like to stay for the luncheon (the cost is \$15.00), please see Gretchen Green, at your earliest convenience. I have committed us to a table of 8. We had a good time at our table last year and I expect this year's will also be a very nice affair.

Thank you,

Deacon Gretchen Green, Christ Church CUPS representative

## Calling all Writers and Artists

Christ Church will once again create our own Lenten Devotional Booklet with reflections offered by Christ Church Parishioners. Everyone is invited to participate, and the booklets will be available on Ash Wednesday (February 14) and the following Sundays.

Here's how to sign up to write or create a reflection:

On January 7, there will be 48 reflection sign out sheets on a table in the Parish Hall (one per day).

Please choose a reflection or two and **be sure to sign them out** on the sign up sheet that will be on the table (just like we do for the Giving Tree in December). Each sheet will contain the readings for that particular day.

Write your reflection or create your artwork to go with your day. If you are using words, please limit your reflection to 200 words. If you are creating a piece of artwork, the art or a photo of the art needs to fit on one half of an 8.5 x 14 piece of paper.

There will be an instruction sheet on the table telling you how to submit your reflection online. The due date for the reflections is Sunday, January 21. This is a quick turn-around, but Lent comes early in 2018 and we want to be ready.

Questions? Contact Charlotte at [charlotte.reed@christchurchudson.org](mailto:charlotte.reed@christchurchudson.org) or 330-650-4359.

Join Charlotte and members of the Outreach Ministry Team on January 11 at 7:00 p.m. at First Congregational Church to learn more about how Christ Church can participate in this exciting event.

## **Christ Church 2018 Vestry Candidates**

This year's Vestry Candidates are Janet Daniels, Scott Koebley, and Jeanne McKinny. Each candidate was asked to answer the following questions. Their responses are below.

- \* **Why would you like to serve on the Christ Church vestry?**
- \* **What gifts would you bring to the vestry?**
- \* **Describe your involvement at Christ Church (past and current).**
- \* **What are your activities and interests outside of Christ Church.**

### **Why would you like to serve on the Christ Church vestry?**

It will be a privilege to serve on the vestry. Over the past 25 years as a member of Christ Church, I have taken a rather passive approach to supporting Christ Church due to other commitments but want to increase my involvement to contribute more to its growth. I hope to match my deep faith with a stronger commitment to serve others at Christ Church.

### **What gifts would you bring to the vestry?**

I look forward to seeing how my strengths (and weaknesses) can be applied on Vestry based on the needs of the Christ Church. I will do whatever necessary to help the Vestry team of talented individuals meet our objectives. During my 35-year career with food manufacturing companies like my current employer Tyson Foods, I have demonstrated the ability to communicate well in providing solutions to customer problems and opportunities. I hope to do the same for Christ Church during my 3-year term.

**Scott Koebley**

### **Describe your involvement at Christ Church (past and current).**

My three children Sean, Sam and Shelby grew up in Christ Church along with my wife Sarah and myself. I served as an Usher for several years but more recently, simply been a loyal "8 o'clocker".

### **What are your activities and interests outside of Christ Church?**

My family loves to get together for holidays and long weekends at destinations closer to them (Sean lives in Richmond, Sam in Chattanooga and Shelby in Austin) which has proved to be a challenge in recent years as they have settled down South. We love to hike, bike, fish and go to musicals & movies. I have helped coach Hudson High School Girls Rugby for the past 7 years, mostly since I am one of the few people who understand the sport after playing 10 years in my distant past. I currently work for Tyson Foods after 7 years with Sugardale and 15 years with Kraft/Oscar Mayer Foods. I grew up in Western PA but started my Ohio roots graduating from The College of Wooster and continue to visit Wooster frequently for football & basketball games.

**Janet Daniels**

When Dave McCallops approached me about running for vestry, he was very careful to give me time to think and pray about it. However, I had already been thinking that I would like to run and I replied 'yes' quickly. There are many challenges for Christ Church Episcopal in the coming years and I would like to be part of the work required to shape our church for the future.

I have loved this church since we first walked through the doors of the chapel in 1987. Our fourth child, Sarah, was baptized here just 8 weeks after we moved to Hudson and all of our children attended Sunday School here. We moved from Hudson to Grand Rapids, Michigan for 8 years, from 1992-2000. I was excited to return to Christ Church, which has seemed to be my spiritual home all along, in 2000. All told, our family has been here for 22 years.

Before I retired in 2016, I worked as an aide in the Hudson City Schools libraries for over 10 years. I am an avid cyclist, traveler, and flaneuse (Google it!). I knit, a lot, which keeps me out of trouble. I also love reading, especially history.

I served on vestry 2002-2005. I have participated in choir and Christian formation and have served as a delegate to diocesan conventions for Christ Church. I have been the mentor of Education for Ministry here since 2005. That has given me a lot of experience in small groups. We practice theological reflection each week on topics chosen by the members of EFM. In my opinion, it is my experience with small groups and theological reflection that qualifies me to be a member of the small group called vestry.

I first became involved with Christ Church through enrolling in Education for Ministry in the fall of 2014. The following spring my family and I joined the church, and since I have looked for opportunities to serve through participation in Open M, Welcome Table and service on Outreach and Fellowship committees. In addition to my work with the church, I am an active member of Hudson League for Service and manage Scholastic book fairs and assist in planning and running the Hudson Ice Cream Social. For the past four years, I've been a volunteer with the Hudson Food Pantry and help clients on Distribution day. I've recently begun working as a substitute aid primarily in the special education class rooms in Hudson City Schools. I look forward to any opportunity to serve my community and church, and am eager to serve on the Vestry.

## **Christ Church 2018 Convention Delegate Candidates**

This year's Convention Delegate Candidates are Sallie Bear, Courtney Bixby, Dave McCallops, Malcolm Robbie and George Van Buren

Questions for those running for Diocesan Convention Delegate

- **Why would you like to serve as a delegate of Christ Church to the Diocesan Convention?**
- **What would you hope to achieve by being a delegate to the Convention?**
- **Please provide a brief history of your involvement and activities at Christ Church and or the diocese.**

**Courtney Bixby**

### **Why would you like to serve as a delegate of Christ Church to the Diocesan Convention?**

As a past delegate to Diocesan Convention, I found it to be a very inspirational and informative experience which I thoroughly enjoyed. It was a great opportunity to network with members of other parishes as well as to learn about programs and events in the Diocese, including outreach and youth programs. Additionally, I am confident that I will appropriately represent the interests of our parish when voting on all business items.

### **What would you hope to achieve by being a delegate to the Convention?**

I feel the role of a Convention delegate is 1) to educate myself on the business items to be discussed/voted on during the session and represent Christ Church appropriately with my vote; 2) meet and interact with members of other parishes as well as members of the Bishop's staff to enable future collaboration, and 3) to share information about both Diocese business decisions and programs/activities with the members of Christ Church upon return from Convention. My hope is to successfully accomplish all three of these items.

### **Please provide a brief history of your involvement and activities at Christ Church and or the diocese.**

Currently I serve as the Episcopal Youth Community (EYC) Youth Group Leader as well as one of two Middle/High School Sunday School teachers. I have also directed the children's Christmas Pageant for the past five years. As a member of the Christ Church Personnel Committee I have been very involved in updating job descriptions and employment agreements for our current staff. I also serve on the Christ Church Connections Ministry highlights of which include coordinating our participation in the Hudson Memorial Day Parade as well as Hudson Merchant Trick or Treat. Past service to our parish include Vestry Member, Vestry Clerk, and pre-school and elementary Sunday School teacher.

### **Please provide some brief information about your activities and interests outside of Christ Church.**

For the past 11 years I have worked as a Human Resources Director for Ernst & Young, LLP. I am also very involved in my son's Cub Scout pack serving as the Membership & Marketing leader, the "Popcorn Kernel" (managing all popcorn fundraising sales), and the Lion Den leader – leading kindergarten boys through their first year of Cub Scouts.

**Malcolm Robbie**

**• Why would you like to serve as a delegate of Christ Church to the Diocesan Convention?**

Having served as a delegate in the past at St. John's Episcopal and listening to the needs of our congregation from the various ministries I believe and hope that I may be of service in this regard.

**• What would you hope to achieve by being a delegate to the Convention?**

First and foremost, to represent Christ Church as I am called to do.

**• Please provide a brief history of your involvement and activities at Christ Church and or the diocese.**

Presently I am helping out as an Eucharistic lay minister for the 8:00 service, Sunday school teacher and help with the flowers, also working towards completing EFM.

**• Please provide some brief information about your activities and interests outside of Christ Church.**

Engineer for NASA, 3 grown daughters love to Olympic weight lift, Yoga  
Presently living in a very tiny 2 bedroom apartment as they rebuild our home due to a whole house fire in August & driving my wife bonkers.

**Why would you like to serve as a delegate of Christ Church to the Diocesan Convention?**

I would like to represent Christ Church at the convention in order to evaluate and vote on resolutions that will help shape the future of the diocese.

**What would you hope to achieve by being a delegate to the convention?**

I hope to personally achieve a greater understanding of the Episcopal Church in Northeastern Ohio by participating in the legislative process.

**History of involvement in Christ Church:**

- Member since 1992
- Vestry member 2013-2015
- Stewardship Chairperson 2014
- Junior Warden 2014
- Senior Warden 2015

**Interests outside CCE:**

Maternal Fetal Physician, retiring in 2018  
Outside interests include travel in the U.S., baking, and reading about European history 1890-1945.

**George Van Buren**

**Why would you like to serve as a delegate of Christ Church to the Diocesan Convention?**

First of all, I would consider serving as a delegate for Christ Church to be a privilege and an honor. With that, I believe it is important to attend and participate in the governance of our diocese. In serving as a delegate for the first time in 2017, I better understood how the larger church operates and how our parish “fits into the bigger picture.” It’s also a humbling to be in a room of hundreds of fellow delegates who are passionate about their own parish, the diocese and the Episcopal church. It’s a great experience that I found fulfilling and would like to participate in at the 2018 Diocesan Convention.

**Dave McCallops**

**What would you hope to achieve by being a delegate to the Convention?**

While the experience in 2017 was very special and rewarding, it was also a bit overwhelming and there was quite a bit of wonderment, and a little bit of confusion, as it was my first time. I would anticipate that with the 2018 Diocesan Convention I would be better prepared on what to expect and how things work, which would allow me to better grasp all that is happening (it is quite a packed agenda for the day!), assist my fellow delegates who were attending for the first time, and determine what is best to take away to share with leadership of the Parish.

**Please provide a brief history of your involvement and activities at Christ Church and or the diocese.**

Over my 22+ years at Christ Church I’ve been on Vestry twice (Junior and Senior Warden the second time I served), was chair of the last Capital Campaign, I chaired the Search Committee that called Charlotte, have served on a number of Stewardship Campaigns and I currently participate as an usher, greeter, counter, coffee hour, flower guild and I’m in my second year of EFM. I also currently serve on the diocese Commission on Ministry which is a group of eight clergy and eight lay persons that assist candidates as they go through the discernment process to determine if they are called to serve as a priest or deacon.

**Please provide some brief information about your activities and interests outside of Christ Church.**

I am married to Pam (29 years and counting!) and we have 3 children; Kelsey 27, Kathleen 25 and David 23. I grew up in the Episcopal church as I was baptized and confirmed at St. John’s Episcopal Church in Cuyahoga Falls. I am a Civil Engineer and currently work for Environmental Design Group, a consulting firm in Akron, as the Director of Water Resources. I’m an avid sports fan, interested in current events history and enjoy working around the house, both inside and out.

**As of December 22, we have received 118 pledges, for a total of \$434,369.00. That total includes 14 new pledges and an increase in 54 pledges.**

**December Vestry Meeting Highlights**

- The vestry meeting opened with Bible study and prayer.
- Bob Zuhl presented the 2018 Christ Church budget, which was approved by the vestry.
- Bob Zuhl also presented a summary of the responses to the forum on proposed By-Law changes. Based on the conversation at that meeting and a growing understanding of the changes that need to be made to the By-Laws, the wardens and rector recommend that we work on the By-Laws in 2018 and wait to ask the congregation to act on the changes until the 2019 Annual Meeting. The vestry concurred.
- The vestry looked at the financials through November. Lou Young commented that income is up from what was anticipated and spending is down through November.
- Guy Wylie, Charlotte Reed, and Kathy Garber met with Officer Harold Hutzell from the Hudson Police Department to walk through the building and talk about security concerns. Guy will work with Kathy on a camera system for the door off the parking lot so that door can be kept locked during the day when few people are in the building.
- Charlotte Reed asked that \$1000 of the Rector’s Discretionary Fund be sent to Bexley Seabury Seminary as a gift from the parish. The vestry approved.
- Bob Zuhl reminded the vestry that an inventory needs to be made of the contents of our building for insurance purposes, and we need to develop an orientation for new vestry member.
- The vestry meeting closed with prayer and thanks to Lou Young, Eileen Gaston, and Roxanne Grattan for their service on the vestry for the past three years.

## Join our Flock!

The Episcopal Diocese of Ohio has introduced a new group communication service to us called Flocknote.

**What is Flocknote?** Flocknote is an email/newsletter type service similar to Constant Contact or MailChimp, but also offers a text to join option.

**Why join Flocknote?** All congregations are encouraged by the Diocese to join the Flocknote program. We think this will be an extremely useful tool for diocesan congregations because of the Text-to-Join feature. Every time a person uses Flocknote to subscribe to the church contact list, the diocesan list will be automatically updated.

We are asking the congregation to join us in signing up for Flocknote at our Annual Meeting on January 21. Stay tuned for more details!
