Christ Church Episcopal

A ministry of the Diocese of Ohio

*Seeking to be a welcoming community of faith, grounded
in the gospel of Jesus Christ, serving Hudson and beyond.*

July/August

2023

July 23rd at the 10:00 Service

Come hear the Christmas story with new ears, sing Christmas songs with summer joy and feel the Christmas joy in new ways.

This year's Christmas in July Service will benefit Family Promise of Summit County, whose mission is to help homeless families with children stay together and achieve sustainable independence. Since 2004, Family Promise has served 400 families including over 1,000 children. In addition to providing temporary shelter, Family Promise addresses the root causes of poverty through trauma-informed case management, financial literacy education, and mentoring.

An in-house food pantry allows families to cook and enjoy their own meals.

For our Christmas in July offering, we are asking you to bring your favorite sandwich or salad topping. The following condiments are needed to stock the Family Promise pantry:

- Mustard
- Ketchup
- Mayonnaise
- Italian and Ranch dressings
- Hot sauce

Any size, packaging, and brand is acceptable. Let's help to spice up their lives!

THE RECTOR'S REFLECTIONS

Dear Friends,

In my sermon on Celebration Sunday, I shared the secret but proven way to become the church we want to be, whether with greater attendance or more families, more educational opportunities, more outreach, or better stewardship. In case you missed church that day, here is the secret. Be That Church. Be the church we want to be. If we are waiting for more of anything to happen, please stop waiting and Be That Church. If we want to see full pews on Sunday morning, fill the pews. (Empty pews are a real turn-off to visitors.) If we want to be a church that attracts families, be here when our youth lead worship or our children offer the Christmas pageant, or we need someone to serve snacks at VBS, or we have a baby being baptized. Notice who is missing and let them know they are missed. Come to the outreach ministry team with your ideas for outreach projects you would like to help make happen. For all the progress we made in so many areas in 2022/2023, there is not one single ministry that does not need more involvement. Not one.

The good news is that we have everything we need to be the church God is calling us to be. God doesn't call us to be anything we are not equipped to be. All we have to do is Be That Church and Be That Church together.

Blessings,

Charlotte

Rubber Ducks Outing with First Presbyterian Church Aug. 19 at 7:05pm (Ticket request deadline August 13)

Christ Church parishioners are invited to join with First Presbyterian church for their "almost annual" excursion to Akron for a Rubber Ducks game on Saturday August 19th. It is a 7:05 game against the Erie Seawolves. Promotions include STEM Night, an actor Kevin Sussman bobblehead (quantities limited), a Sussman VIP appearance, and fireworks. We are planning a group outing, and all are welcome. If we can get to 24 people, we can do a group outing with discounted \$12 tickets, block seating, and a call out on the Ducks scoreboard. Individual tickets are \$18.

Please contact Ron Roseman, Roseman_r@Verizon.net to let him know you would like to attend or if you have questions. You can also see him at Coffee Hour, but he does need to hear from you by August 13! Akron also still has the standard stadium food, at a much more reasonable price than the Guardians, and the full selection of Akron specialty items from Mexican street corn to the "Screamer". The Screamer is composed of 21 ice-cream scoops on top of a brownie and finished with chocolate syrup, bananas, whipped cream, sprinkles and maraschino cherries. Both free and paid parking is available in the nearby area.

CCEH Ladies Night Out Tuesday, July 18th 6:00 p.m.

Join your Christ Church sisters for an evening of great food, good conversation, and lots of laughter! We will meet for dinner at The Tomato Grill, 106 First Street in Hudson on Tuesday, July 18 at 6:00 pm. This is a great way to make and meet new friends and catch up with old ones. Please sign up through the church office or at <https://tinyurl.com/CCEHLadiesnight> by Friday, July 14. Contact Dianna Garvey at digarvey@icloud.com or 614-271-1525 with any questions.

THE EPISCOPAL
DIOCESE OF OHIO

Listening Sessions with Bishop Anne

To build and deepen relationships in the diocese and with the Bishop and Bishop's staff, Bishop Anne is inviting everyone in the diocese to participate in Listening Sessions this summer. We will be able to have facilitated discussions and table conversations about the vision for the diocese and how the Bishop and her staff can support congregations in living out their missions. We will take the information we learn from these sessions and use it for discussion at Diocesan Convention in November. A list of the listening sessions is here: <https://www.dohio.org/listening-sessions>. Please RSVP for the session you plan to attend at: <https://form.jotform.com/231564316777160>.

Do you want to come and sing an easy choral anthem on a Sunday morning?" This summer we will have three summer choir opportunities: July 23rd, August 13th, and August 27th. No weekday rehearsal, just come Sunday morning at 9:15 and meet in the choir stalls in the church. We will rehearse a simple anthem, go through some logistics of the service, then sing the service! It's a great opportunity to lend your voice to the choir!

If you are interested, either show up on those days and/or email me at mario.buchanan@christchurchudson.org. I look forward to seeing you there!

These are a few of my favorite hymns.....

Once again this summer, we will get to vote for our favorite hymns! On July 9, 16, and 23 there will be a ballot in your service bulletin and you will be asked for your five favorite hymns from the 1982 Hymnal or LEVAS. On **August 6**, we will sing the five hymns with the most votes. Everyone gets to vote once so come and cast your vote!

Book Talk - *Whom Shall I Fear*
by the Rev. Rosalind C Hughes
Wednesday, July 12, 2023
from 6-7:30 pm in the Parish Hall

Churches are not immune to violence, as we have seen from shootings at houses of worship across the nation. The challenge for faith communities is how to respond to potential violence. *Whom Shall I Fear?* asks congregational leaders to examine whether their operational and security policies are consistent with gospel values. It raises common themes in approaches to church security and looks at them in the light of scripture. *Whom Shall I Fear?* provides thought-provoking reflections on topics such as locked doors, living faithfully in an unfaithful world, the question of armed security in a church setting, and the duty of Christians to extend hospitality to their neighbor. It includes stories from survivors of gun violence and wisdom on how churches can work to transform an anxious and fear-driven world. *Whom Shall I Fear?* helps the church thoughtfully wrestle with what it means to be a church of grace, welcome, and love when confronted with acts of cruelty, division, and hate. **RSVP to the church office at 330-650-4359 or Janet Daniels at janetsdaniels@gmail.com.**

EDUCATION FOR MINISTRY

The Education for Ministry (EFM) program at Christ Church offers great fun and fellowship as we become informed and inspired missionaries for the Episcopal Church and for Christianity.

In my three years in the four-year program, I have learned a lot through reading and studying the Bible (all of it!) and through studying church history. BUT, the best thing is the community we form. I imagine this must be like the early "churches" where the first Christians met in small groups. As we share our faith adventures, past and present, we acquire understanding and appreciation for the breadth of so many faith journeys. We are family, indeed.

Our wide-ranging discussions seek understanding of how we and our faith operate in today's world. Our touch is light, but our conversations can go very deeply, yet never become ponderous.

I encourage you to join us! If I can provide more information, especially about our snack time!, do let me know (jtdukes@uakron.edu).

In faith, theology, and food, Tom Dukes

Children's Chapel

For children 3-years old through 2nd grade

**Every Sunday morning
during the 10:00 service
through September 3rd**

Children's Chapel uses the Godly Play curriculum, which is a Montessori-based learning experiences to help children explore their faith through story, to gain religious language and to enhance their spiritual experience through wonder and play. Children have an innate sense of the presence of God and this program embraces and encourages that sense. We will be encountering some of the big characters of the Old Testament as well as the parables of Jesus. Children ages 3-2nd Grade (completed) will begin each Sunday in the service with their parents. During the Hymn of Praise, they will join Sarah Bhatia or a volunteer at the front of the sanctuary and return to their families during The Peace. This program offers a great opportunity for your children to grow in their understanding of faith and experience God in new ways.

Summer Playgroup!

Join Sarah Bhatia for a playgroup for all ages on **July 13 at 11:00 a.m. at Veteran's Way Splash Pad & Park.**

Invite your friends, enjoy time outside playing and get to know other families in the parish outside of the walls of the church (weather permitting.) Email Sarah for more info at sbhatia@christchurchudson.org.

OUTREACH MINISTRY

The Calculator Countdown!

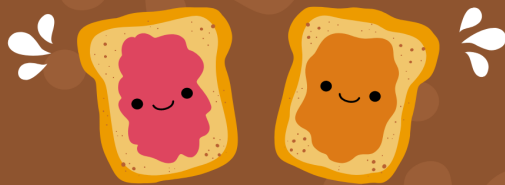

Last year we had the Chromebook Challenge. This summer we have the Calculator Countdown. Last year it helped refugees from afar. This year we are helping our own Hudson sixth graders who are in need. In both cases, we are helping to equip them for the complex society that they call home.

You will hear more about our Countdown during July. For now we are simply sharing that we have committed to purchase 12 calculators at about \$25 each for 6th graders in need in our Hudson school system. Rather than peanut butter and jelly sandwiches for hungry tummies, or encouraging notecards for yearning souls, they are mathematical tools for young brains. Financial support of any amount for this commitment will be welcome, specifically directed to our Calculator Countdown, with more details coming soon.

PB & J DAY: JULY 15TH

Please join the Outreach Committee in the Parish Hall at 10 AM on July 15 as we come together to prepare 300 peanut butter and jelly sandwiches for the homeless ministry out of St. Bernard's Church in Akron. The members of The First Presbyterian Church have offered to lead the brigade for the month of August.

PEANUT BUTTER & JELLY BRIGADE

We urge anyone and everyone to volunteer at some point, for every month we will put out the call. Get to know each other, get sticky, and do good! For more information, contact Judy Brookhart at judyots@gmail.com.

Blessing Cards for Open M

Please consider making "blessing cards" to be given out with meals at Open M. Your card can be a simple index card or piece of paper with a few words of encouragement, a bible verse, a picture, stickers, or whatever you imagine will share some love and support. You can drop your cards in the basket inside the coat room by the parking lot entrance. This will be an ongoing opportunity and cards will be taken to Open M monthly.

Hudson Food Pantry Laundry Detergent Collection

The Christ Church monthly offering to the Hudson Food Pantry is liquid or pod laundry detergent, which cannot be purchased with government assistance (SNAP). The Hudson Food Pantry has requested **45 jugs, packs of pods, or detergent sheets** by July 19 for this month's distribution. Detergent can be left on the bench inside the back door, or Outside the door if it is locked. Thank you helping support the Hudson Food Pantry!

Volunteers needed for Habitat for Humanity July 15 and August 5

Help Build It

The picture you see below is the foundation of what will become a new safe, affordable home in Barberton for our partner family, Sabrina Weitensfelder and her three children. The first two summer workday opportunities for volunteers from Christ Church will be Saturday, July 15 and Saturday, August 5.

If you're thinking, "I'd like to help someone else out, but I'm not very handy", consider this: Habitat for Humanity has been helping unskilled (but thoughtful) volunteers (18 or older) to build homes for others for over 40 years. On a typical workday, an experienced supervisor instructs 8 volunteers on the tasks of that workday during the first hour and then observes their progress as they begin the work themselves. Inexperienced volunteers can pair up and work with those who are more experienced. By the end of the second hour, volunteers are chatting together as they share the task they've been assigned, be that putting down floor decking, raising walls, putting in new windows or doors, or hanging vinyl siding. Habitat will provide the tools needed for the day, but those who have tool belts are welcome to bring them. The workday is from 9 AM to 3:30 PM with lunch at noon and short breaks in the morning and afternoon. It's always a bit of a surprise to see how much has been accomplished by the end of the day. And it's fun to acquire a new skill along the way.

Volunteers from Christ Church and other churches in Hudson have joined together to help fund build a new home for and with a partner family in Summit County every year for the past 25 years. If you'd like to be a part of that tradition, email Len Harrison at harrison13n@gmail.com for more information.

Getting to Know You

Each month we feature a little “getting to know” vignette of a Christ Church parishioner or family in the Communicant. If you would like to be featured in an issue of The Communicant or know someone who would, please let us know. This month, Eileen Gaston helps us get to know a little bit more about the Dave and Pam McCallops. We look forward to getting to know you better, too!

Get to Know The McCallops

Dave and Pam McCallops have been attending Christ Church for more than 25 years. Many of us have seen their children grow up. But did you know the story of how they met? It sounds like a movie!

Dave has a lifelong arthritic condition, which led him to hip replacement at the tender age of 25. Back then, such surgery required six days of therapy, at Akron City Hospital. His physical therapist was a sweet and skilled young woman named Pam. As Dave says, “I hadn’t showered or shaved in six days, but she was still laughing at my jokes, so I asked her out to lunch.” Pam, we’re glad you agreed!

Dave is a “cradle Episcopalian,” having been baptized at St. John’s, Cuyahoga Falls. Pam and her family moved a lot, with Milwaukee being her longest home base. They married in 1988 and moved to Hudson in 1995. Dave was the City Engineer, 1995–2006. He is now the director of water resources for Environmental Design Group, a private firm with many government clients. Pam continues as a part-time physical therapist, still at Akron City Hospital, now called Summa Health System.

Pam’s Catholic family were faithful church-goers. But when expecting their first child, Pam wanted a united family. She agreed to become an Episcopalian if Dave would agree to attend regularly. Another good decision, Pam!

Remember those red-haired McCallops kids? Kelsey, age 33, grew up in Christ Church. Like her mom, she is a physical therapist, at Vanderbilt Medical Center, in Nashville. She is engaged to Aaron, who works for AT&T. Kathleen, now 31, has a PhD in Human Development and Family Sciences. She is a senior researcher at Christiana Care Health in Wilmington, DE. She’s married to Jon, who is working on his PhD. David, 29, for whom we pray each Sunday, is Captain McCallops in the US Army, serving as the aide-de-camp to a general in Poland. His wife Rachael is a nurse.

Dave played a very important role in the history of Christ Church. He was Senior Warden during a critical time of turmoil, all the while working as an engineer and having two more hip replacements. (No, he does not have three hips - he had to have them redone.) His term as Senior Warden was extended to two and a half years, because of having several interim rectors. Everyone in our parish is grateful for his steady leadership in a difficult time. He is now on the Standing Committee for the diocese and helped with the search for the new bishop. Their goal for the parish is that young families return to in-person worship. They agree that the Facebook Live option has both positives and negatives. We should “continue to support one another and try to get people to change their routines to get back in church.”

Dave and Pam, thank you for your faithful commitment for decades.
