## THE RECTOR'S REFLECTIONS

Dear Friends,

You may remember that last Lent we were blessed at Christ Church with the births of four baby boys. So, this late summer and fall, we have four baptisms which are always joyous occasions in the life of a church.

In the course of the baptism service, the congregation is asked “Will you who witness the vows do all in your power to support this child in her life in Christ?” Our answer is always a resounding “We will!”

When we say “we will” and promise to support this child in her life in Christ, we are making a big promise.

- First, we are promising to show up each Sunday so that the children know they are part of a community that cares and that being in church matters.
- Secondly, we are promising to model the Christian life so the children know what that looks like. Believe me, they are watching to see how we treat each other, whether we act like we believe what we say we believe, and whether this really is a place that demonstrates God’s unconditional love.
- Thirdly, we are promising to actively support our children and youth in their life in Christ. This might include teaching Sunday School or Vacation Bible School, but it could also include cooking for youth group and Lego Church, or supporting Vacation Bible School by shopping, helping set up or clean up, or serving snacks. This might also include making a point to be here when the Young Choristers sing, or the youth group leads worship, or one of our youth is a lector (which is almost every Sunday).

As we begin a new program year this fall, may we keep our promise to be a church that supports all of our young people in their life in Christ.

Blessings,

Charlotte

***Signs and Wonders* a video series with Amy-Jill Levine**

Many of us enjoyed and learned from Amy-Jill Levine last Lent when we explored her "Witnesses at the Cross" video series. This fall we will again enjoy and learn from Dr. Levine as we look at the miracles of Jesus.

From the Abingdon Press website: "In Signs and Wonders: A Beginner's Guide to the Miracles of Jesus," Amy-Jill Levine explores selected miracles of Jesus in historical and theological context. For each miracle, she discusses not only how past witnesses would have understood the events, but also how today's readers can draw meaning from Jesus's words and actions."

Women of Christ Church and First Presbyterian are invited to join Sarah Bhatia monthly for a book discussion.

For the month of September, we will join together for discussion of The Testament of Mary by Colm Tóibín. Shortlisted for the 2013 Man Booker Prize, Tóibín's provocative, haunting, and indelible portrait of Mary presents her as a solitary older woman still seeking to understand the events that become the narrative of the New Testament and the foundation of Christianity. Email Sarah to sign up at [sbhatia@christchurchudson.org](mailto:sbhatia@christchurchudson.org).

## Youth Group

September 17th at 4:30 p.m.

After an amazing first year, Youth Group is back on September 17. It is an opportunity for students in grades 6-12 to explore faith formation topics, build close relationships with their peers, and discover how to navigate their world in the light and love of Christ. We will meet on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays for fellowship, faith formation, and food! Keep an eye out for outreach and service events throughout the year as well.

## Lego Church

On the first Sunday of each month, beginning in October, we will gather in Parish Hall to unleash our creativity and engage with familiar Bible stories in new ways. Legos are for all ages and will allow you to explore your faith in a creative way. After a brief, imaginative service, we will enjoy a home cooked meal together.

## VACATION BIBLE SCHOOL RECAP

We had a great week of Vacation Bible School in August with 12 kids in attendance, not including the five teen volunteers and the baby and toddler who were along for the ride. We learned how to be menders of the world with God through feeding, healing, forgiving, praying, and resting.

Thank you to everyone who volunteered and donated! I am so lucky to have had such amazing volunteers engaging with and leading the kids. I could not have done it without you!

Happy September!

I am so excited for the fall season to start! Christ Church is so blessed to have such a fruitful music program, where we have a number of offerings for various people in the parish. Ever since I arrived in 2018, we have grown the music program together into what is now a vibrant program we can be proud to share! This can be seen in our growing Young Chorister Program, Choral Scholars, growth in the Adult Choir, and offering of other services outside of Sunday morning, like Advent Lessons and Carols and Compline.

The Young Choristers will be singing Evensong at Trinity Cathedral on October 18th, 6pm. This is a honor for them so I hope you will come up the the Cathedral to support them in their ministry.

With many opportunities for music at Christ Church, congregational song is at the heart of worship. We are who we are because of the common worship, the common song. My Facebook friend, Gabriel Rhys Simerson, posted a few days ago about his congregational song in Virginia. With Gabe’s permission granted, I want to share his post with all of you. Here is what he says.

*“Almost weekly I hear churchpeople talk about how they ‘can’t carry a tune in a bucket’ and therefore abstain during hymns. I tell them what I’ll tell anyone:*

*You hear three distinct layers of sound in church singing:*

- 1. Relatively trained voices, in parts when appointed, almost exactly on the beat (this is the choir)*
- 2. Voices of all varieties, generally on the tune (in rare instances in parts), somewhat behind the beat due to the space and natural acoustics (these are the confident congregational singers)*
- 3. A low, gravelly din that doesn’t resemble the tune, but includes the words, humming under the first two groups*

*The third group is my favorite part of congregational singing; it’s what reminds us that all the people of different stripes in the whole room are trying—are *\*trying\**, are participating, are for that moment welded to the Body which they come to share. Without them, it would be a choral concert. But with that corporate hum, there’s an electricity that doesn’t happen in any other kind of singing.*

*This is my plea: if you’ve set down your bucket, consider grunting something out during the next hymn. Because if you do it, the other 5 or 50 or 100 people just like you will see, and will do it too. And then everyone in the room will be in the same boat - lost in wonder, love, and praise!”*

## **We Welcome Lydia Nall to Our Choral Scholar Program!**

Lydia Nall is a senior at the University of Akron majoring in vocal performance and minoring in biology. At the university she is involved with the opera program and the Concert and Chamber choirs. She is also the president of the student chapter of the American Choral Directors Association, the vice president for the Student National Association of Teachers of Singing, and musical director of Kanga Blue a cappella. After graduation Lydia plans on attending graduate school for vocal performance.

## Introducing Christ Church “Merch”

We are excited to unveil our new Christ Church merchandise store! When you order from the Christ Church Merch Store, you can wear a conversation starter, show off your Christ Church pride, and support the mission of the church. We have no inventory on hand: items are made-to-order and shipped directly to you. You can check out the current products and place your order by scanning the code or going to <https://tinyurl.com/christchurchmerch>.

## Calling all who like to cook!

There are many opportunities this fall to use your culinary skills for the good of the church and especially in support of our youth. We are looking for volunteers to make a meal for our Sunday Youth Group, Lego Church, and Choral Compline. For each meal, sign-ups will be requested by the Wednesday prior to the Sunday so the cooks will have a count, but we anticipate 35-40 people for each meal other than November 12 and 19 and December 17 which will be smaller. The church will reimburse you \$5 per person for the food. All you need to do is turn in your receipts to Kathy in the church office. The free will offering taken at each meal will help support the cost. Dinner is at 5:30 each evening except for December 10 when it follows Advent Lessons and Carols and will be closer to 6pm. If you would like to provide a meal, you can find a complete list of dates and sign up at <https://tinyurl.com/callingallcooks> or by scanning the code below.

## Volunteers needed for Habitat for Humanity September 23

### *Help Build It*

The pictures below are what will become a new safe, affordable home in Barberton for our partner family, Sabrina Weitensfelder and her three children. We had two great workdays this summer. The third workday opportunity for volunteers from Christ Church will be Saturday, September 23.

If you're thinking, "I'd like to help someone else out, but I'm not very handy", consider this: Habitat for Humanity has been helping unskilled (but thoughtful) volunteers (18 or older) to build homes for others for over 40 years. On a typical workday, an experienced supervisor instructs 8 volunteers on the tasks of that workday during the first hour and then observes their progress as they begin the work themselves. Inexperienced volunteers can pair up and work with those who are more experienced. By the end of the second hour, volunteers are chatting together as they share the task they've been assigned, be that putting down floor decking, raising walls, putting in new windows or doors, or hanging vinyl siding. Habitat will provide the tools needed for the day, but those who have tool belts are welcome to bring them. The workday is from 9 AM to 3:30 PM with lunch at noon and short breaks in the morning and afternoon. It's always a bit of a surprise to see how much has been accomplished by the end of the day. And it's fun to acquire a new skill along the way.

Volunteers from Christ Church and other churches in Hudson have joined together to help fund build a new home for and with a partner family in Summit County every year for the past 25 years. If you'd like to be a part of that tradition, email Len Harrison at [harrison13n@gmail.com](mailto:harrison13n@gmail.com) for more information.

## Getting to Know You

Each month we feature a little “getting to know” you vignette of a Christ Church parishioner or family in the Communicant. If you would like to be featured in an issue of The Communicant or know someone who would, please let us know. This month, Eileen Gaston helps us get to know a little bit more about the The Agnors. We look forward to getting to know you better, too!

### Get to Know Cathy and Ross Agnor

What do the Cleveland Clinic and volleyball have in common? Medical care and sports are important to Cathy and Ross Agnor and are, in fact, how they met.

Cathy lived in Ontario, Canada as a child, but the family moved to Hudson for her dad’s work when she was 17. Ross grew up in Lakewood. In 1993, she was an RN at the Cleveland Clinic (oncology). Ross was a resident in anesthesiology. They met playing volleyball in a sports/social club at the Clinic.

Cathy’s religious background is Catholic and Ross’s is Disciples of Christ. Like so many in our congregation, they found the Episcopal Church to be a good compromise. They were married (in her parents’ yard overlooking Lake Erie) in 1994 and began attending St. Peter’s Episcopal Church in Lakewood.

In 1997, Dr. Ross became a Pediatric Anesthesiologist at Akron Children’s Hospital. Nurse Cathy was at the Cleveland Clinic main campus. They moved to Hudson and joined Christ Church. Ross specializes in anesthesiology for children with congenital heart disease. He has led his department’s Cardiac Anesthesia group since 2001, when the first open heart surgery at Akron Children’s Hospital was performed. Cathy, after working in oncology at Cleveland Clinic, became an educator of other nurses. Then she was a research nurse with a focus on liver failure/transplant patients. She is now a volunteer nurse for the Hospice of Western Reserve - three days a week!

You may remember that the Agnor daughters (with long brown hair) were faithful acolytes for many years. If not serving at the altar, they sat near the front on the pulpit side. (Yes, we all seem to have our ‘assigned seats.’) Elise (28) is a social worker in Princeton, NJ. Renee (24) works in Columbus. Celine (23) and Corinne (22) are both in the medical field. Celine is working on a Doctor of Physical Therapy degree. Corinne is an RN (like her mom) in the Pediatric ICU at Akron Children’s Hospital (like her dad).

Ross’s daughter Jessica is married to Seth Pringle. We pray for him every week because he is in the Army National Guard, stationed in Syria.

The Agnors had quite an adventure this summer. Ross is an avid cyclist and he and a friend, with Cathy driving along behind them, rode their bikes for ten days. They did 455 miles on the Skyline Drive and Blue Ridge Parkway, through rain, shine, and fog. No injuries or bike mishaps, thank goodness.

Cathy is a frequent usher at Christ Church. She and Ross like the community of friends here and the comfort of a ‘spiritual home.’ As we all do, they’d like to see more people join us. Ross said that his experience at the hospital shows the advantage of welcoming new people and learning from their new ideas and experiences. Thanks, Dr. Ross and Nurse Cathy!
